Planting Auger

Series 4314

Occasional User

Not only does the BT 45 planting auger have a dependable and powerful engine, it's also lightweight and comfortable to use thanks to an advanced anti-vibration system. Ideal for mass flower plantings or deep root fertilization, this specialized small landscaping auger features a compact, streamlined ergonomic design making it easy to operate. The best part— its gas powered engine lets you work outdoors where electricity isn't available.

NOTE: The BT 45 planting auger is not for rocky compact soil or drilling large post holes.

Standard Features

- Gasoline-powered engine lets you work outdoors without electrical power
- Dependable, powerful and lightweight engine that features: primer bulb and throttle lock for easy starting, easy-access air filter, electronic ignition, exclusive toolless fuel cap, compact, streamlined ergonomic design that makes it easy to operate
- Anti-vibration system for comfortable use
- Two-speed gearbox with a neutral position as well as a reverse gear
- Adapter accepts threaded "Bosch" style bits
- "Bosch" type adapter accepts: 3", 4", 5" bits
- Friction clutch is designed to slip if bit stalls
- Balanced design with well-spaced handles
- 360° rotating front handle
- Can be converted to wood drill with kit

Optional Feature

- Carry strap and snap strap accessories

IMPORTANT INFORMATION

Note: STIHL recommends use of fuel with no more than 10% Ethanol content. Using fuel with greater than 10% Ethanol content may cause damage to your equipment and may void your STIHL warranty. [Learn More...](#)
