### Series 1140

#### Professional Use

This STIHL MS 362 R professional chain saw features include an enhanced low-emission engine technology with up to 20% less fuel consumption than previous models. Improved air filtration means fewer filter changes and longer runtimes. The MS 362 R is a great choice for logging, thinning, arborwork and large woodcutting jobs.

#### Standard Features

- Advanced engine technology (Low fuel consumption and reduced emissions/ more power)
- Pre-separation air filtration system
- Advanced anti-vibration system
- Toolless fuel and oil caps with retainers
- Side-access chain tensioner
- Decompression valve
- Wrap handle version (R)
- [Click to view the standard features that are common to many STIHL chain saws](#)
