### TS 420 Cutquik®

#### Series 4238

#### Professional Use

The TS 420 STIHL Cutquik® cut-off machine — one of the best we've ever built. Helping you work longer and more comfortably, this cut-off machine comes with a 14" wheel, delivering a unique blend of performance and efficiency so you get the job done right. With the revolutionary X2 air filtration system, an anti-vibration system, and a lightweight design, you get low maintenance and more maneuverability. Its advanced engine technology also increases fuel efficiency and reduces emissions.

*(Abrasive wheel included. Diamond wheel (shown) is sold separately.)*

#### Standard Features

- X2 low-maintenance air filtration system
- Anti-vibration system reduces vibration up to 43% over previous models
- Powerful and fuel-efficient, low-emission engine
- Emissions reduced up to 44% compared to previous models
- Lightweight and well balanced compact top handle design
- Semi-automatic belt tensioner
- Reversible cutting arm for inboard or outboard cutting

#### Optional Features

- TS Rental Kit
- Leather Chaps
- Portable Water Tank
- Metal TS Case
- Roller Wheel Kit
- Mounting Kit and Cart

\*Weight includes water attachment and guard.

#### IMPORTANT INFORMATION

**WARNING!** Never use carbide-tipped, wood cutting or circular saw blades on cut-off machines. They can cause severe personal injury or death from reactive forces, blade contact or thrown tips. Never cut wood of any type.

**Note:** STIHL recommends use of fuel with no more than 10% Ethanol content. Using fuel with greater than 10% Ethanol content may cause damage to your equipment and may void your STIHL warranty. [Learn More...](#)

**Note:** STIHL engine products with the Caring for Nature logo are cleaner than EPA Standards for exhaust emissions.

**WARNING!** Improper use of any power tool may cause serious or fatal injury. Read, understand and follow carefully the operating and safety instructions in your instruction manual before using such products.

**STIHL products sold through U.S. STIHL dealers are for distribution in the United States only.**
