PRODUCT TOUR

Product Features

- Tool-free depth adjustment assists in locating the perfect depth setting for precise nail penetration
- Side low-nail indicator window allows user to quickly and easily see when it is time to re-load
- Overmolded no-mar pad increases visibility and reduces marring on material
- Tool-free jam clear eliminates down-time from bent fasteners caught in the nosepiece
- Tool-free 360° exhaust channels air and dust away from user
- Trigger lock-off allows trigger to be disabled when not in use
