Backpack Blower

Series 4282

Professional User

Who would have thought a backpack blower as powerful as the professional BR 500 would also be quiet? With a proven low emissions engine, this gas leaf blower has all the features you need to work all day, everyday. Designed with a simplified starting procedure for single-handed operation, it has the quality you'd expect from a STIHL backpack leaf blower: a comfortable weight, reduced vibration levels and a low starting force.

Standard Features

- Quiet 65 dB(A) as measured per ANSI B175.2
- Powerful and fuel-efficient, low-emission engine
- Throttle lock function integrated on control handle
- Two-position adjustable blower tube
- High quality harness with dual adjustments
- Simplified starting procedure
- Low starting force
- Single-handed operation
- Reduced vibration levels
- Comfortable weight

Optional Features

- Hip belt (4282 710 9100)
- Curved nozzle (4282 708 6320)
