STEAMMASTER® Model LMB150NA

The best way to remove all types of wallcoverings first time, every time!

Even removes popcorn from ceilings fast!

Designed and created by professionals, the SteamMaster is the only wallpaper stripper in the world that has a UL approved platform to reach high areas without the need for extra stepladders.

Features & Benefits

- Up to 3 hours of steam time from one fill.
- Only clean water required – no chemicals.
- Large, lightweight & durable steam pan – never feels heavy.
- Small steam pan for awkward areas.
- Swivel connection on large steam pan ensures hose never gets coiled.
- Storage for large & small steam pans.
- Storage spools for 16" coolrun hose & 16" power cord.
- Water level indicator – ideal for monitoring fill level for smaller jobs.
- Portable unit weighs only 19lbs for easy carrying.
- Limited 1 year warranty on electrical parts & 3 year warranty on tank.
